

new to web development?

don't worry, you're in safe hands (probably)

next : meet your captain (me! me!)

workshop jargons

HI, I AM

**SWARUP
HEGDE**

YOUR CAPTAIN FOR THE NEXT 30 DAYS

BE AS COMMITTED AS POSSIBLE AND PLEASE DON'T
CALL ME "SIR"

workshop jargons

HI, I AM

**SAMAKSH
JAIN**

**YOUR FACILITATOR FOR THE NEXT 30
DAYS**

FEEL FREE TO REACH OUT TO ME IN CASE THE APP
DOESN'T WORK PROPERLY AND YOU FACE ANY
TECHNICAL ISSUES WITH THE APPLICATION

walkthrough of the workshop

live discussions every
tuesday and friday

mentees (you) will be assigned tasks by the captain (me)
along with a song from my playlist to get you ready for the day

~~work your ass off~~ enjoy and learn from the tasks

mentees (you) will complete the assigned tasks by the captain (me)
and notify the completion in the groups and wish goodnight without being too cringe about it

congratulations!
you made it to the end!!

visit myworkshopinfo.netlify.app for information on live discussions, notes and more
